

Committed to Improving Peoples' Lives

We do our best for engaging in cutting edge litigation. We have been pioneers in almost every conceivable area of litigation.

We've been protecting the rights of injured people and their families. Our law firm has the legal experience and knowledge you are looking for if you have been injured due to the fault or negligence of someone else.

If you are looking for sound and practical personal injury advice from an experienced attorney, want to file a personal injury claim, or need help in getting immediate medical treatment, give the INJURY LAW CENTER a call now. Our lawyers are here to help.

Representing clients in Beverly Hills, Los Angeles, Sherman Oaks, Ventura, Encino, Glendale, Burbank or any other cities in southern California we provide free consultations and are available for evening and weekend appointments. Contact the Zola Wegman & Associates today for more information about our practice.
